

1st Day of 7th ESSD Congress, Swallowing and Ageing
Thursday, 21 September, 2017, Palau de Congressos de Catalunya

- 08:00-09:30 **FREE PAPERS: Instrumental assessment and dysphagia diagnosis.**
Chairs: Antonio Schindler; Rosemary Martino
Oral presentations selected by blind review of 3 separate members of the scientific committee. Topic/s determined on completion of reviewing process. 8 papers: 8 min presentation + 2 minutes questions per paper.
- 09:30-10:30 **Invited Speakers: Oropharyngeal dysphagia and frailty, sarcopenia, aspiration pneumonia**
Chair: Pere Clavé
09:30-09:50 John Morley, Geriatrician
Session title: Frail phenotype and OD
09:50-10:10 Hidetaka Wakabayashi, Rehabilitation medicine
Session title: Sarcopenic Dysphagia
10:10-10:30 Jordi Almirall, Internal medicine
Session title: Aspiration pneumonia and healthcare associated pneumonia in older people
- 10:30-11:00 COFFEE BREAK
- 11:00-12:00 **FREE PAPERS: Physiology 1**
Chairs: Nathalie Rommel; Emilia Michou
Oral presentations selected by blind review of 3 separate members of the scientific committee. Topic/s determined on completion of reviewing process. 5 papers: 8 min presentation + 2 minutes questions per paper
- 12:00-12:30 **Invited Speakers: OD management**
Chair: Olle Ekberg
12:00-12:15 Marco Inzitari, Geriatrician
Session title: Comprehensive management of OD in older people in nursing homes
12:15-12:30 Hidetaka Wakabayashi, Rehabilitation medicine
Session title: Comprehensive management of OD in older people in acute care hospitals
- 12:30-13:00 **Poster review** by scientific committee. Topic/s determined on completion of reviewing process. 8 posters: 3-4 minutes per poster
- 13:00-13:00 **Workshop on texture modified food for patients with OD**
13:30-14:30 Lunch (13:30-14:30 Lunch time symposium offered by the industry)
- 14:30-15:30 **FREE PAPERS: Geriatric, neurodegenerative and complications in dysphagia.**
Chairs: Roberto Dantas; Akio Tsubahara
Oral presentations selected by blind review of 3 separate members of the scientific committee. Topic/s determined on completion of reviewing process. 5 papers: 8 min presentation + 2 minutes questions per paper
- 15:30-16:00 **Invited Speakers: Malnutrition in older people**
Chairs: Jun Kayashita
15:30-15:40 Omar Ortega, Post-doc
Session title: ESSD-EUGMS white paper: Dysphagia - a geriatric syndrome
15:40-16:00 Pedro Abizanda, Geriatrician
Session title: Malnutrition in older people

16:00-16:30 COFFEE BREAK

16:30-17:30 **FREE PAPERS: Dysphagia in stroke patients**

Chairs: Shaheen Hamdy; Eric Verin

Oral presentations selected by blind review of 3 separate members of the scientific committee. Topic/s determined on completion of reviewing process. 5 papers: 8 min presentation + 2 minutes questions per paper

17:30-18:00 **Poster review** by scientific committee. Topic/s determined on completion of reviewing process. 8 posters: 3-4 minutes per poster

18:00-19:00 General assembly

2nd Day of 7th ESSD Congress, Swallowing and Ageing/1st Day of World Dysphagia Summit

Friday, 22 September, 2017, Palau de Congressos de Catalunya

- 08:00-09:00 **FREE PAPERS: Paediatric dysphagia, cerebral palsy and dysphagia treatment**
Chairs: Laura Baijens; Susan Langmore
Oral presentations selected by blind review of 3 separate members of the scientific committee. Topic/s determined on completion of reviewing process. 5 papers: 8 min presentation + 2 minutes questions per paper
- 09:00-09:30 **World Dysphagia Summit Topic 1, *Epidemiology of dysphagia – facing the epidemic***
Investigating committee: Reinie Cordier, Australia; Zulin Dou, China; Satoru Ebihara, Japan; Makoto Inoue, Japan; Susan Langmore, USA; Dorte Melgaard, Denmark; Rodrigo Morales, Chile; Oshrat Sella, Israel; David Smithard, UK.
- 09:30-10:30 **FREE PAPERS: Assessment**
Chairs: Koichiro Matsuo; Martin Brodsky
Oral presentations selected by blind review of 3 separate members of the scientific committee. Topic/s determined on completion of reviewing process. 5 papers: 8 min presentation + 2 minutes questions per paper
- 10:30-11:00 COFFEE BREAK
- 11:00-12:00 **World Dysphagia Summit Topic 2, *Common diagnostic tools and procedures for oropharyngeal dysphagia: Standardization of screening and clinical assessment; Standardization of instrumental assessment***
Investigating committee: Giselle Carnaby, USA; Lukas Dagdilelis, Greece; Ichiro Fujishima, Japan; Roberta Gonçalves da Silva, Brazil; Mansi Jagtap, India; Bonnie Martin-Harris, USA; Koichiro Matsuo, Japan; Antonio Schindler, Italy; Renée Speyer, Australia, Hongmei Wen, China.
- 12:00-13:00 **FREE PAPERS: Physiology 2**
Chairs: Maggie-Lee Huckabee; Jin Woo Park
Oral presentations selected by blind review of 3 separate members of the scientific committee. Topic/s determined on completion of reviewing process. 5 papers: 8 min presentation + 2 minutes questions per paper
- 13:00-13:30 **Workshop on texture modified food for patients with OD**
- 13:30-14:30 Lunch (13:30-14:30 Lunch time symposium offered by the industry)
- 14:30-15:00 **Poster review** by scientific committee. Topic/s determined on completion of reviewing process. 8 posters: 3-4 minutes per poster
- 15:00-16:00 **World Dysphagia Summit Topic 3, *Minimum standards of care: Value-based care of the dysphagic patient; Evidence-based clinical practice; Management of complications of OD; Specific outcome measures (diagnostic and health related, AP, QoL)***
Investigating committee: Julie Backmeier-Kraemer, USA; Martin Brodsky, USA; Elisabete Carrara de Angelis, Brazil; Moataz Elzayat, UAE; Masako Fujiu-Kurachi, Japan; Hitoshi Kagaya, Japan; Huijuan Li, China; Douglas Van Daele, USA; Eric Verin, France

16:00-16:30 COFFEE BREAK

16:30-17:30 **FREE PAPERS: Dysphagia after HNC treatment**

Chairs: Georges Lawson; Virginie Woisard

Oral presentations selected by blind review of 3 separate members of the scientific committee. Topic/s determined on completion of reviewing process. 5 papers: 8 min presentation + 2 minutes questions per paper

17:30-18:00 7TH CONGRESS CLOSING CEREMONY AND AWARDS
