- 10:30-11:00 COFFEE BREAK
- 11:00-13:00 **Management of dysphagia in ALS, MG, MS and progressive muscle diseases**
Chairs: Margaret Walshe; Peter Pokieser
11:00-11:15 Monica Povedano, SLP
 Session title: Relevance and natural history of dysphagia in ALS
11:15-11:30 Walmari Pilz, SLP
 Session title: Swallowing dysfunction in myotonic dystrophy
11:30-11:45 Tobias Warnecke, Neurologist
 Session title: FEES in the diagnosis of myasthenia gravis
11:45-12:00 Jaume Sastre-garriga, Neurologist
 Session title: Natural history of multiple sclerosis
12:00-12:15 Astero Constantino, SLP
 Session title: MS: Prevalence of dysphagia, clinical and VFS signs and symptoms
12:15-12:30 Hans Bogaardt, SLP
 Session title: Evidence-based treatment of multiple sclerosis
12:30-12:45 Margaret Walshe, SLP
 Session title: Interventions for dysphagia in long-term, progressive muscle disease
12:45-13:00 Discussion
- 13:00-14:00 Lunch (13:30-14:30 Lunch time symposium offered by the industry)
- 14:00-15:30 **Dementia**
Chair: Pere Clavé
14:00-14:30 John Morley, Geriatrician
 Session title: OD in dementia and Alzheimer, the geriatricians perspective
14:30-14:45 Margaret Walshe, SLP
 Session title: Diagnosis and evidence-based management of OD
14:45-15:00 Dorothee Volkert, Geriatrician
 Session title: Eating and drinking with dementia
15:00-15:30 Discussion

15:30-16:00 COFFEE BREAK

16:00-17:30 **Management and Ethics**

Chair: Renée Speyer

16:00-16:15 Renée Speyer, SLP

Session title: Effects of classics therapies

16:15-16:30 Emilia Michou, SLP

Session title: Active treatments: neurorehabilitation

16:30-16:45 Laura Baijens, ENT

Session title: Botox, dilation and surgery

16:45-17:00 Patrick Cras, Geriatrician

Session title: When to PEG/when not to

17:00-17:15 Patrick Cras, Geriatrician

Session title: Ethics/when to stop

17:15-17:30 Discussion

17:30-18:00 **ERS/ESSD symposium**

Chair: Eric Verin

17:30-17:45 Marisa Bonsignore,

Session title: Dysphagia and sleep disorders: from physiology to clinical applications

17:45-18:00 Andrea Aliverti, PhD

Session title: Functional assessment of respiration in patients with Progressive Neurological Diseases

18:00-19:00 Welcome reception/Exhibition
